HOW LONG ARE WE ACCEPTING DONATIONS?

The Backpack Drive will last now through the end of the school year (May 27)

Gustavus Volleyball is fortunate to take a trip to the beautiful and tropical country of Nicaragua in Central America this summer. While on this trip we get to play volleyball against some of their teams, tour the country, AND help out the local children through a variety of service projects. **Nicaragua is one of the poorest countries in the Western Hemisphere** with a less than stable economy. Many children don't have adequate school supplies, or even a backpack to carry their supplies for school. Our trip is scheduled through a company called Bring It Promotions and the director has **asked us to bring backpacks because the local schools are in great need of them. WE NEED YOUR HELP!** We are asking the Gustavus and St. Peter community (**YOU**) to assist us by donating backpacks that our team will bring and deliver to children in Nicaragua!
