SETTING THE SCENE

The Gustavus Adolphus men’s soccer team will travel to St. Paul for its regular season finale against Hamline University on Saturday at 1:00 p.m. at Paterson Field. Although Gustavus has earned a spot in the postseason and can’t catch first place St. Olaf, who claimed the 2014 MIAC Championship with a win over Augsburg on Tuesday night, the Gusties are still looking to secure the No. 2 seed and a bye in the first round of the MIAC Playoffs. At 12-4-1 overall and 6-2-1 in the MIAC, Gustavus sits in a tie for second place alongside Carleton (8-6-2, 6-2-1 MIAC) with 19 points. Having waved goodbye to the playoffs, Hamline enters the weekend looking to play spoiler and cap its season on a high note. The Pipers are in ninth place at 6-9-2 overall and 2-6-1 in the MIAC.

SCHEDULE

Saturday’s match will be the 60th meeting between Gustavus and Hamline in men’s soccer. The Gusties hold the advantage in the all-time series with a record of 53-2-4. Following a scoreless first half, Gustavus scored two second half goals to propel it to a 2-0 win over the Pipers in last year’s match. Ryan Tollefsfurd (Sr., Spearfish, S.D.) scored in the 60th minute and Eli Bjerk (Jr., Stillwater, Minn.) added an insurance goal in the 81st. Brett Ylonen (Sr., Lake Elmo, Minn.) earned the 90-minute shutout after making three saves.

LAST TIME OUT

In its last time out on Tuesday afternoon in St. Peter, the Gustavus men’s soccer team’s offense exploded for a season-high seven goals in a 7-1 victory over Bethel University. The Gusties were on the scoreboard early and often, adding three second half goals to a 4-1 halftime lead. All seven goals came from a different player as Patrick Roth (So., Stillwater, Minn.), Eli Bjerk, Patrick Leach (Jr., Sioux Falls, S.D.), Nick Kieser (Sr., Plymouth, Minn.), Jason Schwab (Jr., Stillwater, Minn.), Henry Brose (So., New Richmond, Wis.), and Aiden Letcher (Jr., Brandon, S.D.) all got in on the scoring mix. Brett Ylonen picked up his second straight win after allowing a goal and making two saves in 81:36 of work.

NEWS AND NOTES

• Schmid And Tollefsrud Awarded For Academic Prowess - Gustavus Adolphus men’s soccer players Braden Schmid (Sr., West Fargo, N.D.) and Ryan Tollefsrud (Sr., Spearfish, S.D.) have been named to the 2014 Academic All-District Men’s Soccer Team for District Six. Schmid is a biology major with a cumulative grade point average of 3.83, while Tollefsrud is a health fitness major with a GPA of 3.64. Braden and Ryan are two of the 12 players on the District Six North Region First Team. Of those 12 honorees, one is a goalkeeper, four are midfielders, four are defenders, and three are forwards. The Gustie pair represents two of five players from the Minnesota Intercollegiate Athletic Conference on this year’s District Six Team. Gustavus is the only school in the district with two players on the team.

• A-HEAD Of The Game - With a six-foot one-inch frame and playing much larger than his listed weight of 170 pounds would lead one to believe, junior defender Patrick Leach has proven to be a force inside the penalty box on corners and set plays. On Tuesday against Bethel, Leach rose above his defender and headed the ball into the back of the net to give Gustavus a 4-1 halftime lead. Last Saturday at Augsburg, Patrick headed home a goal that cemented Gustavus’s 2-0 win over the Auggies. The Sioux Falls product now has three goals on the season - his other coming against Carleton on Sept. 17 - with all three coming off headers.

MIDDLETON ON THE MATCH

Saturday’s game is absolutely vital for us as it will determine our playoff position. The scenario is that with a win we will play on Wednesday of next week, avoiding having to play a play-in game 24 hours before on Tuesday. If we do not win, we will have to play on that Tuesday. Playing within 24 hours is difficult enough in soccer, but playing against a team that is completely fresh adds another element of difficulty.

Hamline has had a couple of really good results this year. The Pipers have a bright, young, and innovative coach who is well-qualified. His team tries to play and has some excellent players on the ball - especially in midfield. And, the coach trusts them to keep possession and encourages those players to play to their strengths. They caused us some big problems at home last year in the final game, and we are playing them at their place this year, so I’m expecting it to be tough.

We scored a few goals last game, which is always fun. However, the game was very tight for a while and this provided great testimony for taking your chances. After the first couple of goals, you could see shoulders sag. After three, their legs went. If you don’t convert possession into goals it gives energy to any team and that, unfortunately, is a scenario we have become familiar with. Once again a lapse of concentration saw a dominant 2-0 scoreline become a 2-1 scrap for our lives. This time, however, we stepped up a gear and put the game out of reach. We have to concentrate at the back and be solid with our defensive shape, especially when we have possession. We also must create chances when we have the ball.

So, this will be another test for the lads. We are effectively now in playoff mode and every game is a bonus to be relished.

Complete concentration is needed. Concentration, along with confidence to play with elan and express themselves to the full. Quality built on a solid platform, added to the type of intensity to match the occasion, and the work-play to justify success. Given that we’ll do well.
