

# 2017

## CO-ED YOUTH & HIGH SCHOOL GIRLS SOCCER CAMPS

**\*New This Year: Sessions using different philosophies of training, such as the French and Dutch Methodologies**

### Gustie Soccer Co-Ed Youth Camp

June 25-28 (4 days, 3 nights)

Residential: \$405 (includes all meals)

Commuter: \$290 (includes lunch and dinner)

### Gustavus High School Girls Soccer Camp

July 9-12 (4 days, 3 nights)

Residential: \$420 (includes all meals)

Commuter: \$305 (includes lunch and dinner)

All campers will receive quality instruction, experience a positive learning environment and have fun during the week. Each session focuses on individual skill training, progressing from drills to small sided games. We encourage players from various backgrounds and abilities as we always strive to keep camp numbers smaller to allow for individual instruction and coaching from our qualified staff.

High school players will be challenged to take their skills to the next level through advanced player development and exposure to NCAA collegiate coaching. We focus on the individual player, in the context of team play, emphasizing possession, speed of play, technical development and improvement of tactical understanding.
