2022-23 CCM/AHCA Women's Division III All-Americans Announced

NCAA Division III women's head coaches have recognized the top 24 hockey players in their division by selecting them as **CCM Hockey/AHCA All-Americans for 2022-23**. The honorees come from 14 different schools, and 22 of the 24 are from the U.S., with one each from Quebec and Norway. The state of Minnesota, with five players, provided the most All-Americans. Eight players are participating in the 2023 NCAA Division III Frozen Four that begins Friday at Amherst College.

Schools leading the way: Adrian College has five, followed by Gustavus Adolphus College with three and four schools with a pair. By class, there are two graduates, 14 seniors, five juniors, one sophomore and two freshmen. Five players have been previously recognized: including repeat First Team selections Kayla Vrieze, a senior defender from Gustavus, and Sophie Rausch, a senior forward from Wisconsin-Eau Claire. (She was an All American while at Hamline University in 2022.)

The **CCM Hockey/AHCA All-American Hockey Teams** are sponsored by **CCM Hockey** and chosen by members of the **American Hockey Coaches Association**.
